

Core Charge Return Instructions

1. Print and complete the Return Form.
2. Package the items you wish to return. - Whenever possible, return items in their original packaging. - Cover over any markings on the box that are not applicable to the return.
3. Ship the package to us.
 - o Notes:
 - o The customer is responsible for all return shipping charges.
 - o Cores returned without appropriate paperwork may delay refund.
 - o If required, the cost of return shipping will be deducted from your refund.
 - o We are not responsible for damage that occurs during shipping so please pack your core carefully to protect it from damage.
 - o We recommend all packages be insured with the shipping carrier for their full value.
 - o If you have any questions or problems that are not addressed by these instructions, please call us at 800-777-6425

****Cores must be complete in order for credit to be given. A box of parts is not considered a rebuildable core& a part requiring welding is also not a valid core. We will inspect the core upon receipt and refund less whatever is broken, missing, or damaged.**

****Cores must be returned within 90 days to receive credit and must be the same as the unit sold - do not send back someone else's parts.**
